

Lifespan Wellness Team
June 7, 2011
4:00 p.m.

Present: Kristi Johnson, Sandy Roes, Chuck Kutschara, Jay Sutcliffe, Sherri Blome

1. **Continuing Business**

- a. Let's Move update – we will be combining the Let's Move list serve with the Wellness Team list serve so all involved will receive notices.
- b. Community Survey/Community Center update
- c. Website update
- d. CCR update – no update given

2. **New/Future Planning**

- a. Changing of the Guard – Jay Sutcliffe is moving to Arizona in July. We wish him the best. We discussed approaching Linda Thayer about taking over as the person who schedules the meetings and sends out the agenda and gets the minutes to Chuck Kutschara. Sherri Blome will continue to type minutes for the group. We will ask the Let's Move subcommittees to provide representation at the Wellness Meetings.

3. **Other**

- a. We discussed possibly holding an activity in August during the first week of college and including Job Corp in the activity. It would be similar to try-athlon and would be at Chadron State Park. Kristi Johnson will see if there are people interested in heading this up such as Linda Rischling.

4. **Next Meeting**

- a. The next meeting will be July 12 at noon with the location tbd (possibly City Hall). After reviewing the minutes from the past few years there was no clear time that seemed best to hold meetings. In 2007 we held morning meetings and had good attendance a couple of times. It appears more that we have better attendance when we have projects to do. Attendance since mid 2010 has been very low.
